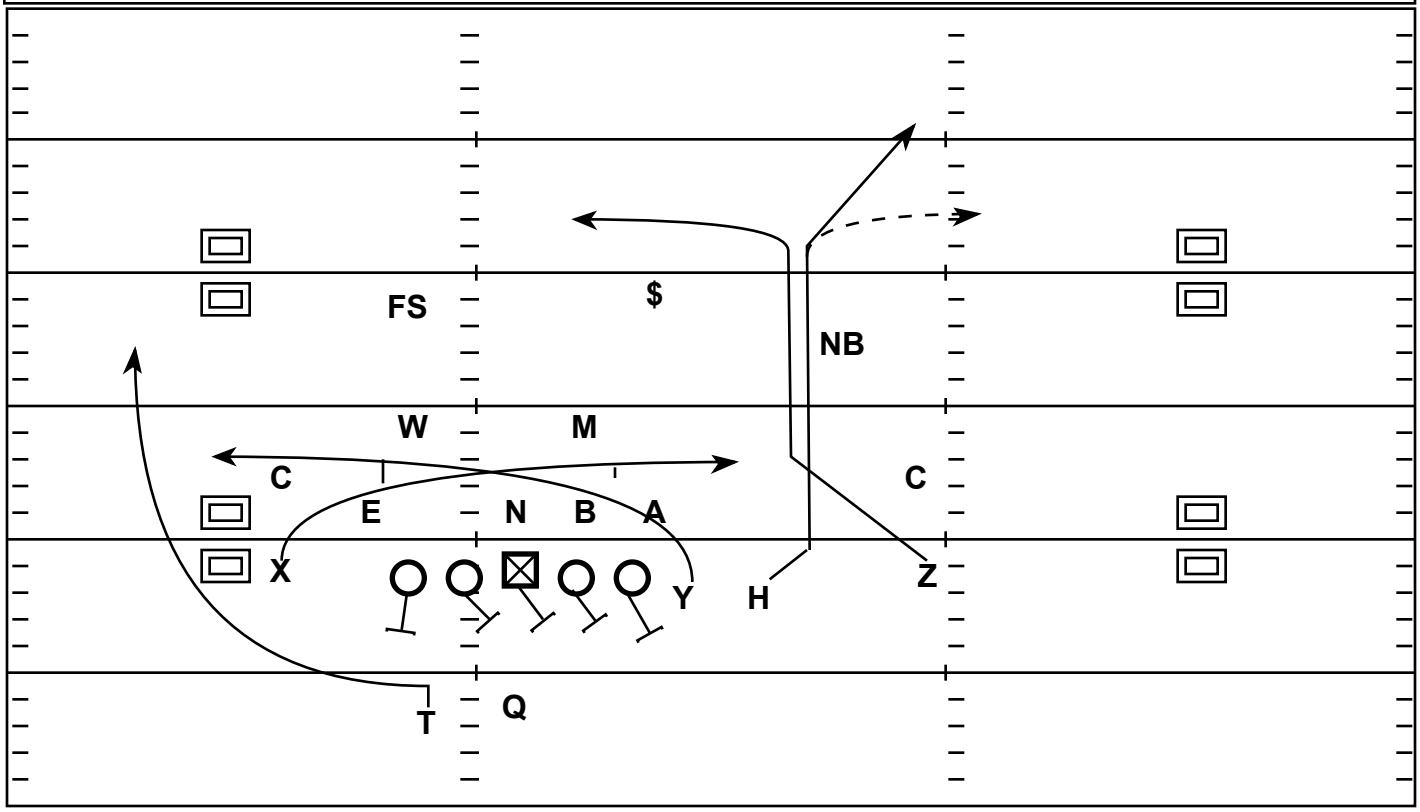
3x1 Wing: Mesh

Oklahoma v. Oklahoma State



Strategy: Base Brean n' Butter Passing Concept while tightening Formation and using a Switch by the #1 & #2

QB Progression/Read: Pick Best Leverage between Wheel or Corner as 1st Read - Move to the Mesh - Finish with the Dig

X - Under Mesh	LT - Man Locked on End
H - Switch Corner	LG - Called into the Slide, Backside A-Gap
Y - Over Mesh	C - Slide Protect A-Gap
Z - Switch Dig	RG - Slide Protect B-Gap
T - Wheel	RT - Slide Protect C-Gap
