

3x1 Open FIB: GT Jet Bash

QTR	TIME	D & D	YD LINE	HASH	SCORE
2nd	3:03	3 & 6	50	R	13 - 14

STRATEGY: Go FIB (Formation Into Boundary) then create a great fast flow misdirection element by using a Jet player on the Q Bash scheme. The defense is in a bind whether they flow w/ the Jet or Follow Pullers.
