5) The JetBlue flight in question was held on the tarmac while police from multiple departments stormed the plane after the pilot said he "accidentally" signaled to the tower that the plane had been hijacked.

Pilot mistakenly told air traffic control flight was being HIJACKED

The wrong radio code sparked fears that a JetBlue flight bound for Los Angeles had been hijacked leading to a massive police response on Tuesday night at JFK in New York.

<https://pbs.twimg.com/media/DquOAgvU8AAe48-.jpg>

21) Neo-conservatives have supported regime change by use of our military.

[#Qanon](#) has never supported that concept.

Q, like the President, has supported grass-roots Iranian protesters who intend to oust the regime that has oppressed them.

22) [#Qanon](#) wrote:
Desperate agencies do stupid things.
Dead cat bounce.

Wikileaks, like other sources of information on the deep state, seems concerned (jealous) about the attention Q is getting.

23) When agencies like Wikileaks lose relevance and downtrend on social media, it's tempting to lash out at opponents like [#Qanon](#), to try to regain relevance and create an uptrend.

(In investing, a short uptrend in a long downtrend is called a "dead cat bounce.")

DEFINITION of 'Dead Cat Bounce'

A dead cat bounce is a temporary recovery from a prolonged decline or a **bear market** that is followed by the continuation of the **downtrend**. The name "dead cat bounce" is based on the notion that even a dead cat will bounce if it falls far enough and fast enough.

BREAKING DOWN 'Dead Cat Bounce'

Frequently, downtrends are interrupted by brief periods of recovery, or small rallies, when prices temporarily rise. This can be a result of traders or investors closing out **short positions** or buying on the assumption that the security has reached a bottom.

<https://pbs.twimg.com/media/DquPdtgV4AADD4m.jpg>

24) [#Qanon](#) made an interesting observation about Wikileaks:

"You may have the site but we have the source."

The "site" is Wikileaks. But the "source" is a person. (I assume Q is referring to Julian Assange.)

Does the Q team have Assange in a safe place?

>What must be completed to engage MI over other (3) letter agencies

During the 1950s and 60s, federal troops and federalized National Guard forces, accompanied by military intelligence personnel, were deployed to help integrate Southern schools²³ and to help deal with civil disorders in Detroit in 1967 and other cities the following year after the assassination of Dr. Martin Luther King Jr.²⁴ Throughout this period military intelligence units also continued to collect data on Americans at home who were suspected of involvement in subversive activities.²⁵ In the late 1960s, the Pentagon compiled personal information on more than 100,000 politically active Americans in an effort to quell civil rights and anti-Vietnam War demonstrations and to discredit protestors.²⁶ The Army used 1,500 plainclothes agents to watch demonstrations, infiltrate organizations, and spread disinformation. ²

' According to one report, the Army had at least one observer at every demonstration of more than twenty people.²⁸

The Army's activities were summed up by Senator Sam Ervin:

Allegedly for the purpose of predicting and preventing civil disturbances which might develop beyond the control of state and local officials, Army agents were sent throughout the country to keep surveillance over the way the civilian population expressed their sentiments about government policies. In churches, on campuses, in classrooms, in public meetings, they took notes, tape-recorded, and photographed people who dissented in thought, word, or deed. This included clergymen, editors, public officials, and anyone who sympathized with the dissenters.

We stand w/ the good people of IRAN who are currently battling their 'installed' regime for FREEDOM.
TRUE RULE, THE PEOPLE HAVE THE POWER.
RISE UP and DEMAND THEY BE REMOVED.
At some point military generals will act w/ the will of the people simply because their soldiers ARE THOSE SAME PEOPLE and have no choice.
We stand with you.
We are monitoring the situation closely.
Stay safe.
God bless.
