

## Is Q On Truth Social?

An account on President Trump's new social media platform Truth Social was created on February 9<sup>th</sup>, 2022 using the handle @q. It was one of the earliest accounts on the platform, predating people like President Trump, Dan Scavino, Ric Grenell, Devin Nunes, and John Ratcliffe.

So, as far as I can find.... The only accounts older than the @q account are people who actually run Truth Social. The account predates Trump, Nunes, Scavino, Grenell, Radcliffe....

The pple who run the site follow that @q account, as does Nunes. Nunes commented on the account's first post and re-truth'd it.

Super interesting. Could be a fun troll by the people involved with Truth Social to 1) grab that handle and 2) cause a stir, but considering the dates, deltas, correlation to the Drops... well, I'm just super interested in it for now. Could just be something humorous, could be much, much more.

Over the last 5 years many phonies have created accounts on social media pretending to be Q, who has often warned us that he does not communicate with anyone outside of his board. His messages are secured with a tripcode for the purpose of operational security.

Until we receive confirmation from Q on his board or from someone else on the team, it is impossible to say with confidence that the person posting on Truth Social is Q.

Having said that, it is interesting that Truth Social's CEO, Devin Nunes has interacted with the account and follows them and that the account appears to have been setup by the platform's developers for some purpose.

I am not yet on Truth Social but those who are have been capturing screenshots of the account's posts, re-posts, and comments which can be viewed below.

The sense of turmoil was captured in a new CNN/SSRS poll released Thursday that showed waning faith in US elections and found that most of the nearly 60% of Americans who disapprove of how Biden is handling his presidency were unable to name one single thing they like that he has done. "He's not Donald Trump. That's pretty much it," one despondent respondent said. Another answered: "I really like his new cat, Willow Biden."
