## #Pink

Pink is a Zero blitz coverage. Your help is inside on shallows. Make sure we align at different levels to prevent pick routes.

Corners	Alignment: 7x1 inside of press. Catch/frail technique
	Coverage: MEG on #1. "Yo" a speed motion and enter the "21" / "32" in the box with
	the LB's. If in the "21" / "32", Hug up the RB if he steps up to your side, Low Hole
	Robber if no one goes away.

## Catch/Trail Technique. Coverage: MEG on #2 to your side. "21" if your #2 is in the backfield and "32" if your #2 is a FB or Wing; Boss align if it is a FB. "Yo" a speed motion" and enter the "21" / "32" in the box with the LB's. If in the "21" / "32", Hug up the RB if he steps up to your side, Low hole Robber if no one goes away. If there is a FB and Wing present we will "32" the FB and the person on the Wing Stays MEG.

Alignment: Inside leverage on your man. 30 if #2 is in the backfield, 60 if in a "32".

Run Fit: Deuce fits in a "32", ISIS in a "21"

Safeties

LB's

**Alignment:** Bump alignment unless in a "32" on a FB, then Boss. **Coverage:** Meg on #3, "21" or "32"— Outside guys in call has 1<sup>st</sup> back out his side in "32" & "21". Center player has 2<sup>nd</sup> back out either side in "32". Hug up rules apply. If you get a "Yo" call, outside guy take the motion and everyone bumps over one spot in the "21" / "32"

Run Fits: "21" is ISIS. "32" is Deuce.
