

# 3x1 Open: Shot Off PAP QB Follow

Oklahoma v. Houston

Strategy: After having ran QB Inside Zone Follow a few times run a PAP off it to get Safeties/Nickel up in Run Support and hit them Deep with the Post

QB Progression/Read: Fake the IZ Mesh with RB, then Sprint Out as if Running Follow. Set up to Throw Looking High to the Post, use H as a Checkdown, If everyone drops, Running is an option

X - Fade

H - Breakdown as if you are going to block the Sam then run to the #'s

Y - Seal Pin for Protection

Z - Work Vertical to a Post

T - Fake the Mesh for IZ then Lead Protect for QB

LT - Slide to Pick Up Blitzing Corner

LG - Slide to Pick Up Defensive End

C - Man Set to Nose

RG - Man Set to Mike Linebacker before working to help on Anchor

RT - Man Set to Anchor
