7) On November 10th, Q reposted the drop about election fraud and added: "News unlocks."

Q has used this phrase in the past to alert us to a future news story that would confirm the post.

Nothing can stop what is coming.
Nothing.
This election was not about fixing the economy, trade, borders, military, protecting our children etc. all so another corrupt politician or 'insider' can simply undo it [band-aid].
This was not simply another 4-year election, but, a crossroads in the history of our civilization that will determine whether or not, WE, THE PEOPLE, reclaim control over our gov't.

Panic in DC.

11) The DOJ and FBI have been investigating the Clinton Foundation for at least a year (perhaps longer). Since DOJ policy is to refrain from commenting about ongoing investigations, I would conclude that the investigation is probably complete.

12) John Huber has been tasked with investigating and prosecuting DC corruption. I would expect to hear information on December 5th about formal charges that may be brought against the Clinton Foundation.

https://pbs.twimg.com/media/DspHbIFU8AApuf_.jpg

13) Rather than the issues discussed by the candidates, Q said this election was about taking back control of our country from corrupt people.

18) Q suggested that Matt Whitaker may have modified the expanded scope of Robert Mueller's investigation, restoring it to the original scope, effectively putting Mueller and his team on a leash.

<https://pbs.twimg.com/media/DspMTNIVAAAWbt4.jpg>

19) Since the swamp is counting on Mueller to indict POTUS, Whitaker's presence is causing panic in DC.

20) New York Times reporter Maggie Haberman's tweet is an example of the panic. She's been known to use coded messages on Twitter to signal her pals in the deep state when there's trouble.

22) Maggie has been tasked with providing cover for the deep state. She wrote this article, dredging up an old and already remedied issue with Ivanka Trump using private email for government-related matters.

Democrats Plan to Investigate Ivanka Trump's Use of Private Email Account

President Trump defended his daughter, saying there was no comparison to Hillary Clinton's email practices and dismissing the issue as "fake news."

23) Haberman also wrote this article, rehashing an old allegation about POTUS wanting Hillary Clinton and James Comey prosecuted.

The story's source?

"Two people familiar with the conversation."

Trump Wanted to Order Justice Dept. to Prosecute Comey and Clinton

The encounter was one of the most blatant examples yet of how President Trump views the typically independent Justice Department as a tool to be wielded against his political enemies.

Comey and others appear hypocritical and politically motivated.

“Rest in peace Mr. President (JFK), through your wisdom and strength, since your tragic death, Patriots have planned, installed, and by the grace of God, activated, the beam of LIGHT. We will forever remember your sacrifice. May you look down from above and continue to guide us as we ring the bell of FREEDOM and destroy those who wish to sacrifice our children, our way of life, and our world. We, the PEOPLE.”
