

Zipper Read - Flex Screen Wrinkle

Starts just like FLEX

If 3 isn't open on wing, 2 can set a zipper screen for him
 4 can hit 3 man on cut to rim for basket
 If 3 isn't open, 2 pops to replace on wing

We are set up back in the FLEX
 but in this wrinkle, 4 man will more than likely be open on UCLA
 screen for layup.
 If not open, 3 pops and we are back into FLEX
