

Virtual Ohio DB101 Training for Professionals

Presented by  **World Institute
on Disability**

**Webinar on February 28th
2PM - 3:30PM**

Ohio Disability Benefits 101 (DB101) webinar will introduce attendees to the OH DB101 website and will share tips for navigation. DB101 reduces the myths that are barriers to employment by providing the information to help enable people with disabilities to make informed career planning, benefits, health coverage, employment, and wealth-building decisions.

Attendees will learn how to use OH DB101 to:

- Explain SSI/SSDI rules/work incentives and the impact on state/federal benefits because of employment
- Complete Estimators, including quick Estimators, and explain the results of the impact of earnings on benefits
- Motivate and support plans for employment and transition to self-sufficiency

Who should join? Independent Living Centers, VR Counselors, ODDC, Disability Rights, CWICs, Employment Service Providers, and Direct Disability Service Providers
