

Duke - Horns Rub Pin

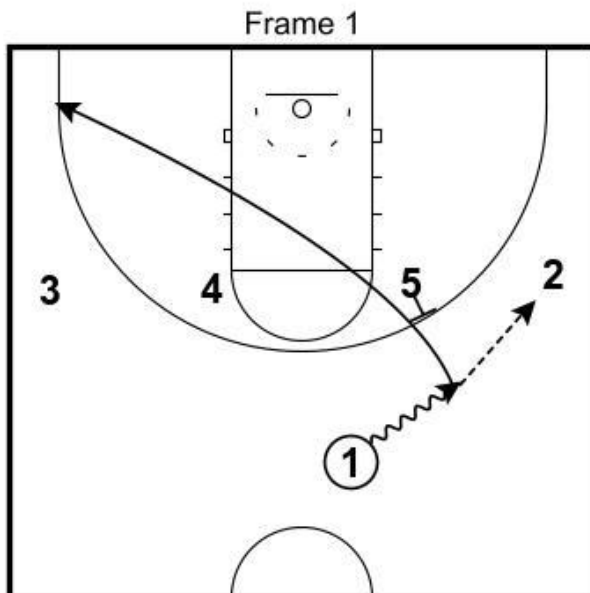

5 cuts in front of 4 and catches the ball from 1.

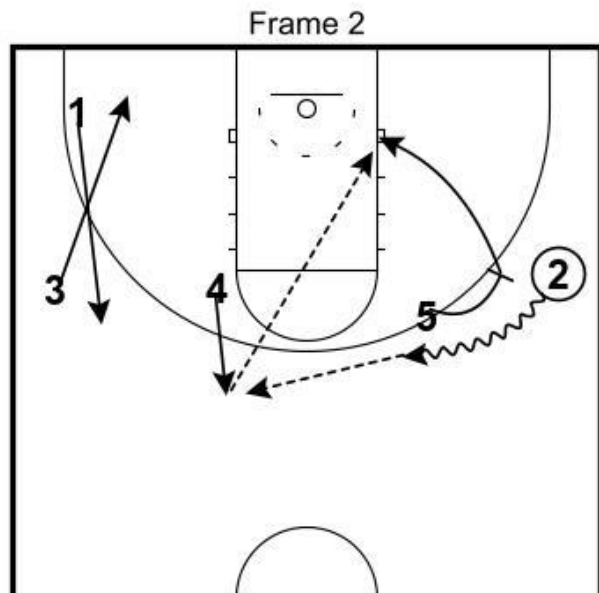

1 loops around 5 and 3 moves to the block.

4 sets a pin down screen for 2.

2 uses the screen and cuts around 5 for a handoff of quick pass.

From a 1-4 high formation, 1 passes to a wing and runs off the backscreen to the weakside corner

The ballside high post big man sets a ball screen and rolls to the basket. 2 can feed the roll, or pass to 4 who pops up and catches to create a better passing lane to 5. This pass can be a lob, or a post up high low pass. 3 and 1 exchange positioning to draw away the helpside attention.
