

Y-In 2x2 Tite: Glance-Wheel

QTR	TIME	D & D	YD LINE	HASH	SCORE
1st	2:59	1 & 10	-35	R	0 - 14

STRATEGY: Give your QB the Wheel in case the defense struggle to pass off or you get a great man coverage match-up. The Wheel threatens the F/S pulling him high. Then the Shallow creates a High-Low for the Glance
