

Off Ball- Split Action

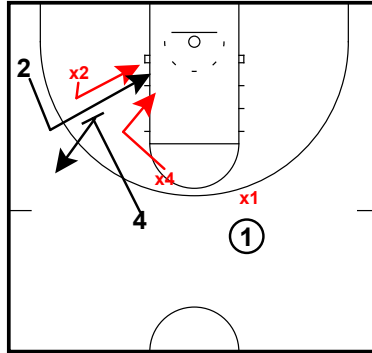

General

Attacking the Switch- Off-Ball Split (Back Cut)
Concepts

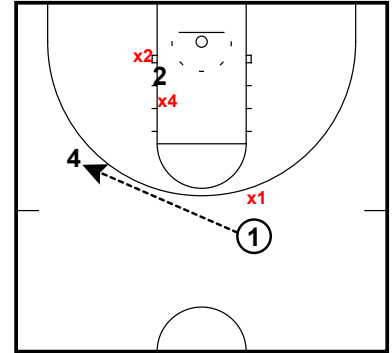

One way of attacking the switch is to run **off-ball screen split** action.

Attacking the Switch- Off-Ball Split (Back Cut)
Concepts

4 goes to pin down for 2. 2 can look to back cut the screening action to draw both defenders with them. As in any split action, there is an inside cut and an outside cut.

Attacking the Switch- Off-Ball Split (Back Cut)
Concepts

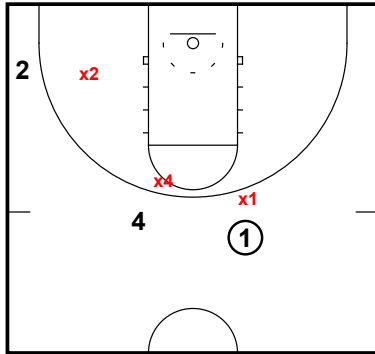

With 2 back cutting (inside), 4 will then pop back (outside).

Off Ball- Split Action

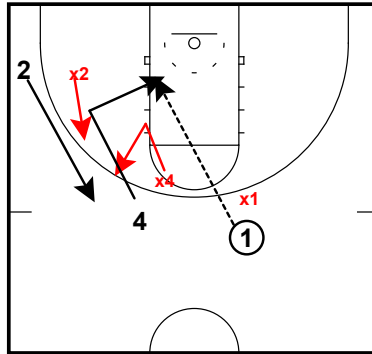

General

Attacking the Switch- Off-Ball Split (Slip)
Concepts

One way of attacking the switch is to run **off-ball screen split** action.

Attacking the Switch- Off-Ball Split (Slip)
Concepts

4 goes to pin down for 2. As 4 goes to screen, x4 begins to jump out to switch the screen onto 2. As soon as x4 gets "above" the level of the screen, 4 slips to the rim.
